Membership: Bill Maine reported we have 175 paid up members to date. Lenny reported he has not yet contacted businesses for donations.

Boat Parade: The theme for this year is Family. Parade to start at 2:15 p.m. from Mitchell's. George Lowe will be taking pictures from his house so be sure to wave.

Judges Boat: Gary Webb will be driving the Judges Boat. Jim Runstead will be one of the judges. He was at the meeting and stated that he is running for Eileen Kowall's seat as Michigan legislator.

Fireworks: Jack Butler will still coordinate the fireworks. He is resigning from the Board as he is out of town for most of the year. He still wants to be involved with the WLCL.

Pancake breakfast: It was a great success due to the efforts of the cooks and everyone helping out. Janice said we need to address the garbage problem next year. Some people were coming back for seconds. This is not "an all you can eat" breakfast. We talked about having tickets next year. People can give their ticket when they get to the buffet line. They can't come back without a ticket. This would be easier because some people pay for several people that are not with them and are arriving later.

Weeds: They are going to put copper down on the whole lake shoreline. They are going out Friday to survey the weed situation. Spraying should be next week.

Dredging: DEQ wanted re-sampling for copper so we held up a week for weed control. It takes 2 to 4 weeks to see results. Two residents offered their property for de-watering of lake spoils.

Sheriff: There was a boat accident on the lake. A dark wake board style boat, going too fast without lights, hit another boat. Luckily no one was seriously injured. The boat took off. The people on the boat that was hit are looking for the person who hit them.

Boat Inspections: Will be held on June 14. See web site for details.

Buoys: We are getting permits for placement on sandbar and canal by Patte Day's house. Larry called around about ways to anchor the buoys. He talked to the guy who runs the ski show and he gave him information.

Miscellaneous: Larry D'Angelo talked to a lake resident who is a real estate agent about letting us know when new people move on the lake so we can contact them and give them information about the WLCL. He said he would do that.
